

Weather/Emergency Procedures

The TESD Emergency number on KYW Radio is 854. Information concerning closings, delayed openings, and early dismissals are also posted on local television stations, television web sites and the District web site.

The TESD Hot Line number is 610-240-1970. Messages will be updated with information on closings, delayed openings and early dismissals.

TESD Schools - Closed:

When TESD schools are closed due to weather conditions or legal holidays, transportation is not provided for all students, including non-public school students.

TESD Schools - Delayed Opening:

If TESD experiences a delayed opening due to weather or other emergency, **all** transportation, including non-public transportation, will also be delayed.

TESD Schools – Early Dismissal:

If the school district deems the weather conditions to be a safety issue during the school day and public schools close early, non-public schools will be notified to release their student's for early transportation home.

Non-Public Schools – Delayed Opening:

If a non-public school experiences a delayed opening due to weather or other emergency and TESD **does not** have a delayed opening, transportation will **not** be provided for non-public school students.

Non-Public Schools – Early Dismissal: If a non-public school deems the weather conditions to be a safety issue during the school day and closes early, **and TESD does not have an early dismissal**, transportation will **not** be provided for non-public school students.
